

MY INDICI PATIENT PORTAL

The My Indici Patient Portal is for anyone registered with the National Coagulation Centre at St. James's Hospital and allows patients more control over their healthcare.

Check Your Appointments

Access your appointments and request to change or cancel an appointment

Easily Access Your Records

Access hospital records in the one place

Send Requests

Write to staff at the NCC about non-urgent queries using the messaging feature

See Your Letters

Access all hospital letters and receive new letters

How to Sign Up

1

Complete and return a simple access request form

2

Your identification will be verified, either in person at the NCC or over video call

3

Activate your account by following the instructions sent to you by email

Download Request Form

Download the request form, fill it in and send it to

myindicipatientportal@stjames.ie
